This comparison is intended to help you compare coverage benefits and is a summary of In-Network benefits only. North Dakota Farm Bureau Health Plans uses the UnitedHealthcare Choice Plus Network for medical providers and the Dental Benefit Providers network for plans that include dental coverage. Please keep in mind that network payments are based on negotiated fees. If an Out-of-Network provider is used, the individual's liability will increase significantly. Plan contract should be consulted for a detailed description of benefits and limitations.
